

BRITISH VIRGIN ISLANDS

CARIBBEAN WELLNESS DAY ACTIVITIES

- Facilitation of training for day-care and preschool workers
- CWD has been included as an activity for schools to promote. Health liaison teachers will work with the PTA to develop and promote activities for CWD.
- A Workforce Fun/Run will be take place on September 9th
- News releases will be developed and dispatched to media houses. The Ministry will also use the media to inform the public on the importance of Caribbean Wellness Day.
- Long term activities include policy and national programme development
- The Ministry encourages coordination of CWD activities by other agencies to ensure long term benefits.
