Close

Preventing disease, promoting and protecting health

Ground rules

- Time keeping
 - Starting, and finishing, on time is important
 - Presenters should follow guidelines given
 - Chairs/facilitators to keep sessions and group work on track
- Consultation etiquette
 - When asking questions introduce yourself – name, institution and country
 - Be respect of speaker - when in session, do not talk during presentations
 - Ask questions at the end of the presentation or during the plenary

Ground rules

- Questions
 - Keep relevant to the presentation
 - Avoid long/multipart questions
- No third party discussions that disturb the meeting
- Wear your name badge
- Phones on vibrate or silent, take calls outside

Housekeeping – before we start...

- Note location of the nearest exits and toilets
- Link to the presentations will be emailed
- Information Packs
 - Evaluation forms and short questionnaire - return to the secretariat before departure
- Registration
 - Sign in required everyday

Housekeeping – before we start...

- Group photograph
 - CARPHA communications will inform where this will take place
- Agenda and Group work for Day 3
 - Announcement will be made during the consultation
- Introductions
 - To follow immediately after break

Think Forward

- But do not forget the past
- Here to seek knowledge and to move forward together to change outcomes
- Create new networks
- Contribute your ideas!
