

12th Meeting of Caribbean National Epidemiologists and Laboratory Directors

**CARIBBEAN PUBLIC HEALTH LABORATORY NETWORK  
PRIORITIES QUESTIONNAIRE**

The Caribbean Public Health Agency is conducting this survey to gain an idea of your thoughts on the proposed Caribbean Public Health Laboratory Network. Please help us by filling out this short survey.

**1. What are the important public health network goals for your country?**

**2. What are the priorities for your laboratory now?**

**3. What are the priorities for your laboratory for the next year?**

**4. What are the priorities for your laboratory for the next five years?**

**5. What would you expect out of a Caribbean Public Health Laboratory Network?**

**6. What would you like a Caribbean Public Health Laboratory Network to focus on?**

**7. What do you think about public/private partnerships?**

**8. Do you think there is opportunity for public/private partnership?**

**9. Do you have any ideas for funding for a Caribbean Public Health Laboratory Network?**
