| Anguilla        | • March 27, 2020: suspension of all nonessential movements through April 10, ban on public gatherings, restaurant sit-down services and closure of all licensed premises, places of worship, and schools. More information here.  
• April 16, 2020: extension of the regulations issued by the Minister of Health on 27March to 12 May, but with three important relaxations: Government offices will resume day-to-day functioning with effect from 22 April. Department heads will take appropriate steps to ensure effective social distancing and will permit flexible working patterns as they see fit.  
• Child-minding facilities will be permitted to reopen from 22 April.  
• Some non-essential business may resume, specifically: finance and insurance companies; law offices and other legal firms; and shops selling computers and information technology and stationery supplies.  
• All other regulations remain unchanged – gatherings of any more than five (5) people are not permitted and all non-essential workers must please stay at home except: to visit a doctor or pharmacy; buy food or fuel; make use of banking services; and exercise outdoors for no more than 90 minutes per day between 5 am & 6 pm. | Yes See table of Caribbean reopening plans and initiatives |
| Antigua & Barbuda | • March 28, 2020: curfew into effect from 8:00 p.m. until 6:00 a.m. and continuing daily until 11 April 2020. More information here.  
• April 2, 2020: curfew extended to 24 hours and for the next seven days. More information here.  
• April 5, 2020: it becomes mandatory for residents going outside to wear masks  
• April 9, 2020: 24 Hour curfew enacted from 6:00 a.m. to 6 a.m. April 15, 2020. No movement during the day by non-essential workers except for food and emergency supplies. Private vehicles limited to two occupants. Essential workers and others should continue to practice social distancing of six feet between persons. No business activity or service not listed in the Schedule to the Essential Services Act, 2008 shall be permitted to open or operate on Friday 10th April, 2020 (Good Friday), Sunday 12th April, 2020 (Easter Sunday) and Monday 13th April, 2020 (Easter Monday). Persons are confined to their places of residence during the 24-Hour curfew hours. More information here.  
• All schools have been closed until advised by the Ministry of Education. More information here.  
• April 16, 2020: 24-Hour curfew extended from 6:00 a.m. to April 22, 2020 – 12 Midnight. More information here.  
• April 22, 2020: Curfew enacted from 23rd April, 12:01am. to May 14, 2020 – 12 Midnight. No movement allowed during the day by non-essential workers except for food and emergency supplies. Private vehicles limited to two occupants. Essential workers and others should continue to practice social distancing of six feet between persons. Persons are confined to their places of residence during the 24Hour curfew. More information here. | Yes See table of Caribbean reopening plans and initiatives |
| Aruba           | • March 16, 2020: Schools are closed till April 20, 2020.  
• March 19, 2020: all casinos, movie theaters and gyms must close. Team sports activities are not allowed. All establishments, shops, restaurants and businesses must close at 8.00 pm. This also applies to hotels bars and restaurants.  
• March 21, 2020: country-wide 9pm-6am curfew for all residents and tourists until March 31, 2020. More information here.  
• March 24, 2020: all bars and restaurant must close. Only exceptions are take-out, drive thru and food delivery. All establishments must close at 8.00 pm. Gasoline stations must also close at 8.00 pm.  
• All public events are canceled till March 31, 2020. This entails all government activities and all private activities that received a police permit.  
• March 29, 2020: Shelter in Place for the entire population: people are not allowed to leave the house, only for necessary things, such as buying food and getting the pharmacy, exercising or buying medicine. The measure applies to non-essential groups. The measures imposed suspended businesses must instruct their customers that they must keep 2 meters apart. If the social distance rule is not enforced, companies will be closed and fined. A ban on gathering (loitering) has also been issued, in particular the prohibition of group formation in public space by 4 or more people, with the exception of families living under the same roof.  
• The 9pm to 6am daily curfew remains in effect until April 20, subject to re-evaluation.  
• Schools remain closed until May 11, 2020.  
• Visits at nursing homes are prohibited.  
• Easter weekend: On Friday 10th (Good Friday), Sunday 12th April (Easter Sunday) and 13th April (Easter Monday) shelter in place rules will be stricter. It will not be possible for people to go to the beach for recreational reasons on these days – it will strictly only be allowed for health reasons. The ban on gatherings (on foot or in a vehicle) of 4 or more persons will be extended to include families (except while at home under the same roof). The only valid reasons for leaving one’s home will be to visit a doctor; to go to the pharmacy and for food supplies. All establishments will be closed on these days except for gas stations (open from 7am to 7pm), pharmacies, food delivery/takeout/drive-thru services (11am to 7pm). On Saturday 11th, shelter in place rules will revert to the current status.  
• April 14, 2020: change in case definition. Any person with the symptoms such as: coughing; sore throat; loss of smell or taste; difficulty breathing.  
• April 15, 2020: extension of the nightly curfew and mandatory shelter in place until April 28. More information here.  
• April 28, 2020: curfew has been adapted and is now in effect from 10:00 pm until 5:00 am. Exceptions are the pharmacies on duty and the hospital. All establishments must close at 9:00 pm. | Yes See table of Caribbean reopening plans and initiatives |
| Bahamas         | • March 20, 2020: overnight curfew implemented from 9pm to 5am until March 31. More information here.  
• March 24, 2020: from 9 am until March 31, 9am, curfew extended to 24 hours with essential travel only. Every person shall remain confined to their place of residence. More information here.  
• April 8, 2020: 24 Hour Curfew extended for another 5 days from 9:00 p.m. 8th April, 2020 until 14 April, 2020, 5:00 a.m.  
• Senior citizens homes have been closed to outside persons.  
• April 20, 2020: 24-hour curfew back into effect at 5am until Friday the 24th of April at 9pm. On Friday at 9pm, the weekend Lockdown will again take effect. People must wear a protective face mask at all times. More information here.  
• May 14, 2020: the island of Bimini will be placed under a two-week lockdown in order to slow and control the community spread of the COVID-19 virus on the island. The lockdown will take effect Monday 18 May at 9pm until Saturday 30 May at midnight. The date will be extended to a total of 14 days when Parliament reconvenes later this month. | No |
| Barbados        | • March 28, 2020: Stage 3 announced: only essential services will operate, and movement of non-essential personnel is restricted between 8 pm and 6 am daily, from March 28 until April 14. Regular movement will resume on Wednesday, April 15 unless otherwise stated. More information here.  
• April 3, 2020: 24-hour curfew implemented. From April 3, 2020, 5pm, all supermarkets and minimarts shall remain closed until further notice and people can only be on the road if they are seeking medical attention or going to the pharmacy, or if they are part of the essential services.  
• April 15, 2020: ban on reusable bags at supermarkets across the island. More information here.  
• April 24, 2020: Scaling up of the testing. Local medical practitioners are advised to refer all clients displaying symptoms suggestive of COVID-19, even without a travel history. A special emphasis is put on frontline workers and the elderly. More information here.  
• May 17, 2020: new emergency curfew directive from midnight on May 3 to 17, 2020. Under the revised directive, the island will be on a curfew from 3 pm to 8 pm each day and all residents are expected to remain indoors except to purchase groceries, conduct banking business or visit a public market. More information here. | Yes See table of Caribbean reopening plans and initiatives |
| Belize          | • April 1, 2020: State of Emergency declared for 30 days. Curfew in effect between 8:00 p.m. and 4:49 a.m. of the following morning for the entire country during the state of emergency. | Yes |
Country | Domestic precautionary prevention measures issued by Caribbean countries to contain the spread of COVID-19 | Easing of restrictions started?
--- | --- | ---

• April 27, 2020: new curfew Order for the next 14 days from 1:00 p.m. to 6:00 a.m. daily. | Yes
• April 28, 2020: Residents urged to wear cloth face masks in public settings

Cayman Islands
• March 24, 2020: shutdown of all public transportation. Private taxis will continue with no more than two passengers at any one time so that each passenger is able to distance himself or herself as far as possible from the other passenger and the driver. More information here
• No more than 2 persons who are not members of the same household are allowed to gather in public for any reason.
• Private parties which include any person from outside of the immediate household are banned and private strata pools, strata gyms and playgrounds are to be closed.
• Restaurants are only to provide drive-through services, take out, delivery, or curb side collection of food. Food may only be collected from restaurants until 6pm. Delivery services are only allowed to operate until 9pm.
• March 24, 2020: curfew from 9pm pm until 5am daily for next 10 days. More information here
• March 25, 2020: curfew extended for all three islands from March 25, 2020, 7pm until 5am, March 28, 2020. Only essential workers allowed to leave their homes. More information here
• March 28, 2020: nationwide curfew into effect: a daytime “soft curfew” from 5pm until 7pm, during which limited movement to conduct essential tasks is permitted. Essential outings include those to health care facilities, supermarkets, pharmacies, retail banks, building societies and credit unions, and gas stations; an overnight “hard curfew” from 7pm until 5am, which requires the closure of all nonessential businesses. Persons considered to be essential staff will be exempt from the restrictions. More information here
• March 30, 2020: until April 20, 2020, people may only visit stores, petrol stations and pharmacies Mon / Wed / Fri for surnames starting A-K and Tue / Thu / Sat for surnames starting L-Z. Similar measures were enacted for retail banks on Tuesday, March 31. As such, adults with a last name beginning in “A” through “K” will be allowed to enter banks in order to conduct essential transactions on Mondays and Wednesdays, while adults with a last name beginning in “L” through “Z” will be allowed to conduct transactions on Tuesdays and Thursdays. All individuals will be permitted to enter banks on Fridays. On Sunday, as every night, hard curfew with no one allowed outside their homes. These restrictions do not affect essential workers like utility or healthcare workers. More information here
• All beaches are closed till 1st May. No activities of any kind will be allowed. Persons who live on property with beach access are not allowed beyond the high water mark of their property.
• April 23, 2020: all educational institutions will remain closed for the duration of the 2019/2020 academic school year. More information here
• April 28, 2020: Hard curfew begins daily at 7 pm and continues until 5 am. All, except those deemed essential staff, should operate under a strict lockdown during these hours. On Sundays, the lockdown is for the full 24 hours. All protocols during soft curfew are also to be practiced to avoid face to face contact. Non-essential workers may only leave the house to run essential tasks. Beaches remain off limits.
• May 8, 2020: This coming Sunday 10 May 2020 will operate as a 24 hour curfew period with full hard lock down. No persons other than exempted essential services personnel will be permitted to leave their homes on Sunday, for any reason. Exercise periods in public places are not permitted on Sunday. This relates to Grand Cayman Only. On Cayman Brac a nighttime curfew will be in place between the hours of 8pm and 5am this Sunday.
• A full 24 hour curfew as it relates to beach access to public beaches on Grand Cayman remains in place through to Friday 15 May 2020 at 5am - this means no access to public beaches on GC at any time until Friday 15 May 2020 at 5am. This prohibits any person(s) from entering on,
