<td>• April 30, 2020: de-escalation of some measures which were in place to control the movement of people and public gatherings. o Churches, places of worship, all retail stores, hair salons and barber shops, accommodation suppliers, gyms and spas, recreational facilities, official lotteries, restaurants and bars can re-open. o From April 30, 2020 until May 31, 2020, the assembly or meeting of more than 25 persons in a public place; and 25 persons in a private place is prohibited during the specified period. o Where there is an assembly or meeting of persons, persons shall at all times, remain a minimum of 3 ft. away from any other person. o Every establishment shall, during the specified period, determine the number of persons that may be permitted in any establishment at any one time by permitting one person for every 30 square feet of floor space; and ensure that distance markers are placed at a minimum of 3 feet apart on the floor space of such establishments, indicating where customers must stand while waiting inside the establishment. More information here. • May 6, 2020: The following arrangements have been decided for Term Three which begins on Monday 11th May and ends on 24th July 2020. o Primary Schools: Grades K to 4 will continue with E-Learning until further notice. Grades 5 and 6 will return to the classroom half day from 8:25am to 12 noon. There will be no afternoon sessions. Parents are asked to ensure that their children are picked up at 12 noon. Students in Special Education Needs (SEN) Units will continue remote learning with their teachers until further notice. To promote social distancing at school, desks will be arranged to ensure there is a minimum of 3 feet between each student. This may mean that some schools that more than one room will be used for each class. o Teaching assistants and other teachers will be assigned to assist the main teachers to manage classes. Break time will be staggered to reduce the number of students gathering at any given time. Custodians will actively supervise student interaction at break time. o Secondary School: Forms 1 to 4 will continue with E-Learning until further notice. Forms 5 and 6 will return to the classroom and their regular schedule. o Five forms at the Pupil Referral Unit (PRU) are expected to report to PRU at their usual time. Sixth forms are advised only to report for class times. Students in Special Education Needs (SEN) Units and Workshop Initiative for Secondary Education (WISE) will continue remote learning with their teachers until further notice. Three entrances to the Campus B Building will be used. Larger classes will be divided among rooms with tasks assigned by the main teacher. Substitute teachers and members of Senior and Middle Management will assist with the supervision of students in the overflow rooms. o E-Learning: At primary schools, each school will use one E-learning platform – either Schoology or Google Classroom. At the Albena Lake Hodge Comprehensive School, Edmodo and Google Meet will be used. o Health and Sanitation: Each school will be thoroughly sanitized prior to the return of students. Hand sanitizer will be available for use in each classroom. Bathrooms will be cleaned and monitored throughout the day to ensure that they remain in a hygienic state, supplies are replenished and that students wash their hands properly. Custodians will be specifically designated to perform this task. Desks and frequently touched surfaces will be sanitized at intervals during the day. The interior of school buses will also be cleaned and sanitized daily.</td>

| **BES Islands** | **May 6, 2020:**  
- School reopen on May 11  
- Children are allowed to sit in class and play outside. Large groups of children packed closely together is undesirable, especially in indoor areas. If the outdoor area is large enough, children can be outside together. If the outdoor area is small, it is better to separate groups. The adults at school must, however, adhere to the 1.5 meter distance rule.
- Facilities which will be open:  
  - Sports facilities (including swimming lessons), catering facilities  
  - Schools, day care centers, churches, public libraries, museums, art galleries, and other places of worship  
- Children up to age 17 do not need to practise social distancing while doing sports, they are also allowed to do contact sports. Large tournaments are forbidden for everyone.
- From May 11, the schools and childcare facilities will open again, with the application of hygiene measures, no more than 50 people at the same time in a room or outdoor space and a social distance of at least 1.5 metres. Here too, the social distance does not apply to children up to age 17 mutually, but it applies to adults.
- What remains closed: Sex clubs and nightclubs, dance clubs, spas and saunas will remain closed because the risk of the virus spreading is great, due to the physical contact or a confined space.  
**April 27, 2020:** first phase of the Territory’s reopening  
- Residents are reminded to wear a mask that properly covers the nose and mouth area when leaving their homes. They are also advised to wear masks if there is more than one person in a vehicle, and when exiting the vehicle.  
- Other protocols include social distancing of 6 feet apart. In the case of public transportation such as ferries, taxis and buses, passenger seating must be staggered to facilitate social distancing.  
- Additionally, residents are reminded to use the hand-washing and sanitising stations that are provided.  
- Social gatherings must not exceed 20 persons.  
- Businesses are required to have the necessary markings on the ground to guide customers.  
- The Virgin Islands will be under a new curfew Order from Monday, April 27 for the next 14 days from 1:00 p.m. to 6:00 a.m. daily.  
**April 29, 2020:** additional businesses and establishments can now operate (supermarkets, banks, bakeries, fishers and farmers...)  
- Those businesses must ensure that operating times allow for staff and employees to report to and leave work within the approved hours of 6:00 a.m. and 1:00 p.m.  
- Newly approved businesses are to prepare for inspections in order to re-open. Businesses that have not been inspected by the Environmental Health Division and the Social Distancing Task Force are to remain closed to the public until they are given the approval to open. All other businesses are to remain closed.  
**May 5, 2020:** announcement that the next phase of the internal opening is May 10. Curfew will be imposed from the hours of 7:00 p.m. to 6:00 a.m. daily. | **Cayman Islands** | **April 28, 2020:** easing of restrictions in phases between each phase during which testing will continue rigorously to ensure the present phase is not curtailed and the next phase can start.  
- Phase one: slated to commence on May 4, 2020 if test results this week are encouraging enough to allow for that to happen. Phase one is expected to allow for kerbside delivery of more goods.  
- Phase two: scheduled for May 18, 2020 and will include reopening of sectors such as construction. Details for all are still being worked on.  
- A total of 742 persons have either departed from the Cayman Islands, or are departing this week on scheduled flights to the U.K. Miami, Canada and Cancun, Mexico. Additionally, 198 Caymanians and Permanent Residents have returned to the Cayman Islands on the flights so far.  
**May 1, 2020:** Cayman will be moving from level 5 to level 4 ‘high suppression’ from Monday which means some businesses and services can begin to operate again from Monday. More information here  
**May 1, 2020:** New COVID 19 regulations with a number of new additional essential services and personnel changes to soft curfew come into effect from Monday, 4 May 2020. Until then, existing hard and soft curfew measures are extended to continue until 5:00 am Monday when the new measures commence. Number of essential services and personnel are to be expanded from Monday, 4 May 2020. These will, however, in the majority, have minimal contact with their service seekers by providing collection and/or delivery service of items and goods only. All protocols and restrictions remain in place and have to be strictly followed to avoid penalties, if charged and convicted. Money remittance facilities are now added to the essential service providers list. Hours of operation of existing essential service are also being extended from Monday which is the start of Level 4 of COVID-19 response, which is a scaling down from the Level 5 that the Cayman Islands has been in since 24 March 2020.  
**Little Cayman** - will be out of hard curfews early next week and Cayman Brac later next week, subject to favourable test results  
**Grand Cayman (GIS):** new regulations were announced to come into effect from Monday 4 May for two weeks, in view of the test results continuing to be encouraging. As a result of the new regulations, the additional essential services now include public sector postal services, private sector pool maintenance, grounds maintenance, landscaping and gardening services; mobile car wash and mobile tyre repair services, laundry and laundromat services, pet grooming service providers, pain management and chronic pain treatment services. Money remittance facilities have met the requirements of the Competent Authority to satisfy relevant COVID 19 protocols and will be opening. Hours have been extended by an hour - from 6 am and 7 pm - for restaurant food delivery, food delivery by other businesses and grocery delivery services now extended up to 10 pm; supermarkets, convenience stores and minimarts, pharmacies, gas or refilling stations can open for one hour longer up to 7 pm. Hours for retail banks, building societies and credit unions have been extended by three hours, now being allowed to open from 9 am to 4 pm.  
**However,** exercising outside of home and home grounds is prohibited during hard curfew lockdowns for all Sunday on 3 May and 10 May.  
**All beaches continue to be strictly off limits for the next two weeks when the new regulations are set to expire.**  
**May 4, 2020:** The Cayman Islands move from Level 5 Maximum Suppression (currently) to Level 4 High Suppression on Monday 4th  
**May 5, 2020:** no more Sunday hard lockdown in Little Cayman  
**May 7, 2020:** Hard curfew Sunday lifted from Cayman Brac immediately and changes to soft curfew gazetted tonight. Fishing and boating, with a maximum of two persons in one boat, are allowed outside of the 8pm-5am curfew period on Cayman Brac. Restrictions by last name are rescinded. Cayman Brac is...

  - May 19, 2020:** announcement of a phased approach to reopening the island’s tourism sector, from June 4, 2020. The strategy protects nationals and visitors from COVID-19 through advance testing; daily screening and monitoring of staff and visitors; sanitization at various points throughout the travelers’ journey; and new social distancing protocols. More information [here](#).  
  - Phase One of the reopening: welcoming international flights at Hewanorra International Airport (UVF) from the United States only. Travelers are advised to check with airlines regarding flight schedules and rules prior to booking.  
  - In anticipation of these first visitors, some 1,500 hotel rooms in Saint Lucia are being prepared to open in early June, pending completion of a new COVID-19 certification process.  
  - In Phase One, the traditional experiences that Saint Lucia is known for will be available in a limited capacity. Registered hotels and travel providers will work with visitors directly to arrange safe experiences.  
  - New procedures span from the hotel booking process to the airport arrival and hotel experience in Saint Lucia. Protocols include:  
    - Visitors are required to present certified proof of a negative COVID-19 test within 48 hours of boarding their flight.  
    - Upon arrival in Saint Lucia, all travelers must continue to use face masks and follow physical distancing.  
    - Travelers will be subject to screening and temperature checks by port health authorities. Protocols are being established for taxis, to provide safety precautions and separate the driver from guests as an added security measure.  
    - Health and safety protocols will be reinforced through the use of signage that includes QR codes which take travelers to a landing page for more information. To further ensure that Saint Lucia remains a safe and responsible destination, the government is developing a COVID-19 Certificate for hotels. Hotels must meet a dozen or more specific criteria for sanitization, social distancing and other COVID-19 protocols before they will be permitted to open to guests. These measures will enhance protection of visitors, staff and Saint Lucian nationals.  
  - Phase Two of the island’s new responsible approach to tourism will commence on August 1, 2020, with details to be revealed in the weeks ahead.
