<td><strong>May 6, 2020:</strong> The following arrangements have been decided for Term Three which begins on Monday 11th May and ends on 24th July 2020.</td>
<td></td>
</tr>
<tr>
<td>o Pre-schools: in light of the differences in the facilities and resources available at each school, the owner of each school will decide whether their school can be safely reopened. Principals will communicate with parents regarding the position at their schools.</td>
<td></td>
</tr>
<tr>
<td>o Primary Schools: Grades K to 4 will continue with E-Learning until further notice. Grades 5 and 6 will return to the classroom half day from 8:25am to 12 noon. There will be no afternoons sessions. Parents are asked to ensure that their children are picked up at 12 noon. Students in Special Education Needs (SEN) Units will continue remote learning with their teachers until further notice. To promote social distancing at school, desks will be arranged to ensure there is a minimum of 2 feet between each student. This may mean in some schools that more than one room will be used for each class. Teaching assistants and other teachers will be assigned to assist the main teachers to manage classes. Break time will be staggered to reduce the number of students gathering at any given time. Custodians will actively supervise student interaction at break time.</td>
<td></td>
</tr>
<tr>
<td>o Secondary School: Forms 1 to 4 will continue with E-Learning until further notice. Forms 5 and 6 will return to the classroom and their regular schedule. Fifth formers at the Pupil Referral Unit (PRU) are expected to report to PRU at their usual time. Sixth formers are advised only to report for class times. Students in Special Education Needs (SEN) Units and Workshop Initiative for Secondary Education (WISE) will continue remote learning with their teachers until further notice. Three entrances to the Campus B Building will be used. Larger classes will be divided among rooms with tasks assigned by the main teacher. Substitute teachers and members of Senior and Middle Management will assist with the supervision of students in the overflow rooms.</td>
<td></td>
</tr>
<tr>
<td>o E-Learning: At primary schools, each school will use one E-learning platform – either Schoology or Google Classroom. At the Albena Lake Lodge Comprehensive School, Edmodo and Google Meet will be used.</td>
<td></td>
</tr>
<tr>
<td>o Health and Sanitation: Each school will be thoroughly sanitized prior to the return of students. Hand sanitizer will be available for use in each classroom. Bathrooms will be cleaned and monitored throughout the day to ensure that they remain in a hygienic state, supplies are replenished and that students are washing their hands properly. Custodians will be specifically designated to perform this task. Desks and frequently touched surfaces will be sanitized at intervals during the day. The interior of school buses will also be cleaned and sanitized daily.</td>

| **Barbados** | • April 15, 2020: restrictions eased. 2 days weekly Barbadians will be allowed to conduct business based on the surnames, there will be shopping schedules for supermarkets, fish markets, hardware stores and banks. Customers will have to carry ID cards, wear masks, have a shopping list and practice social distancing. More information [here](#).  
  - April 29, 2020: implementation of Phase Two of the reopening schedule. Ease in the lockdown measures which started on March 28 and is expected to end on May 3.  
  - Those who have symptoms such as fever or cough should stay at home, as well as those who are elderly, pregnant, have an underlying clinical condition or they are living with someone is in this criteria.  
  - Wherever possible workers should travel to their workplace alone using their transport with employers expected to make parking arrangements for additional cars and bicycles and provide hand cleaning facilities at entrances and exits.  
  - Public transport will be limited to 60 per cent capacity to provide sufficient space and only one person at a time can sit on a row of chairs.  
  - Those entering workplace are to wear masks and adhere to social distancing guidelines.  
  - Employees are to maintain social distance, wash their hands regularly and clean common contact surfaces.  
  - Workers are asked to stay at the worksite and not use local shops. They are encouraged to walk with prepackaged meals and refillable drinking bottles.  
  - Employers should stagger break times to reduce congestion in canteens or lunch rooms and workers should maintain social distance.  
  - Non-essential work that requires close contact between workers should not be carried out.  
  - Employers are asked to regularly clean the inside of work vehicles and between use by different operators and only necessary meetings permitted.  
  - The wider public service will reopen with minimal staff on May 4 and will provide basic services initially.  
  - The protocol for the wearing of masks may soon become mandatory. More information [here](#).  
  - Those businesses intended for Phase Three are: bookstores, house furnishing, houseware stores, clothing stores. More information [here](#).  
  - May 2, 2020: Phase 2 of that plan will start from Monday, May 4. This includes the curfew period being between the hours of 8:00 p.m. and 5:00 a.m.  
  - New sectors will be open. More information [here](#).  
  - Limited access to the beach, between 6:00 and 9:00 a.m. daily. Persons should not congregate there. (FP)  
  - Barbadians allowed to purchase alcohol. However, there will be no consumption in public, and this measure will be closely monitored.  
  - May 18, 2020: The surname regime on the island remains in place but customers shopping at supermarkets, hardware stores and pharmacies as well as those banking weekly, can now conduct business all-day on their two days.  
  - Hair salons and barbers will reopen from May 18 also. More information [here](#). |
| **Belize** | • April 30, 2020: Businesses are beginning to reopen with some restrictions and there can be more movements internally.  
  - Persons who step out in public must now wear masks and adhere to social distancing guidelines.  
  - Hotels will reopen, if they choose to cater to a Belizean clientele. Their restaurants will be limited though to providing room service and takeaway meals.  
  - The general restriction on movement is being lifted to the extent that it will now permit the public to attend at the various government and private businesses for such services as they require in addition to the purchase of supplies and essential needs.  
  - Every business activity, all economic operations, are subject to the social distancing requirements.  
  - None can operate without putting in place the six-foot dividers to keep both staff and the public properly spaced.  
  - May 18, 2020: Hotel restaurants can offer room service or take-out food.  
  - The new arrangements will permit eating at the restaurants so long as those restaurants have outdoor seating.  
  - The wider public service will now be able to go swimming in our rivers and seas.  
  - Churches can now hold services at their physical facilities, though subject to the 10-person limit. |
| **Bermuda** | • April 20, 2020: New businesses can open under the extended Shelter in Place. More information [here](#). These businesses have significant restrictions placed on them to ensure that they follow the social distancing guidelines.  
  - May 2, 2020: phased reopening of the economy. End of the Shelter in Place period. More information [here](#)  
  - 4 phases set out. No dates attached to phases two, three, and four because progress will depend on the situation on the ground  
  - Phase one begins on May 2 at 6am.  
  - No one will no longer be illegal to visit another household, but it is strongly encouraged that persons do not visit other households.  
  - Curfew in place between 10pm and 6am.  
  - Gatherings limited to no more than ten people.  
  - Retail businesses and restaurants permitted to open between 7am and 9pm, with only curbside service, or home delivery.  
  - Businesses outside of those that will be able to operate, such as retail and restaurants, still are subject to the mandatory work from home provisions inside of the law, and those businesses must remain closed if employees cannot work from home.  
  - Grocery stores and gas stations remain open under the current conditions, and days of shopping will continue to be prescribed so that stores are not overwhelmed. |

| BES Islands | - **May 6, 2020:** School reopen on May 11  
- Children are allowed to sit in class and play outside. Large groups of children packed closely together is undesirable, especially in indoor areas. If the outdoor area is large enough, children can be outside together. If the outdoor area is small, it is better to separate groups. The adults at school must, however, adhere to the 1.5 metre distance rule.  
- Facilities which will be open:  
  - Sports facilities (including swimming lessons), catering facilities  
  - All cinemas are allowed to be open provided they can adhere to the maximum of 50 people, a social distance of at least 1.5 metres and strict hygiene measures.  
- Contact sports are forbidden for adults.  
- Children up to age 17 do not need to practise social distancing while doing sports, they are also allowed to do contact sports. Large tournaments are forbidden for everyone.  
- From May 11, the schools and childcare facilities will open again, with the application of hygiene measures, no more than 50 people at the same time in a room or outdoor space and a social distance of at least 1.5 metres. Here too, the social distance does not apply to children up to age 17 mutually, but it does apply to adults.  
- **What remains closed:** Sex clubs and nightclubs, dance clubs, spas and saunas will remain closed because the risk of the virus spreading is great, due to the physical contact or a confined space. |
| British Virgin Islands | - **April 27, 2020:** First phase of the Territory’s reopening  
  - Residents are reminded to wear a face mask that properly covers the nose and mouth area when leaving their homes. They are also advised to wear masks if there is more than one person in a vehicle, and when exiting the vehicle.  
  - Other protocols include social distancing of 6 feet apart. In the case of public transportation such as ferries, taxis and buses, passenger seating must be staggered to facilitate social distancing.  
  - Additionally, residents are reminded to use the hand-washing and sanitising stations that are provided.  
  - Social gatherings must not exceed 20 persons.  
  - Businesses are required to have the necessary markings on the ground to guide customers.  
- **April 28, 2020:** Additional businesses and establishments can now operate (supermarkets, banks, bakeries, fishers and farmers…)  
  - The Virgin Islands will be under a new curfew Order from Monday, April 27 for the next 14 days from 1:00 p.m. to 6:00 a.m. daily.  
- **April 28, 2020:** Businesses that have not been inspected by the Environmental Health Division and the Social Distancing Task Force are to remain closed to the public until they are given the approval to open. All other businesses are to remain closed.  
- **May 5, 2020:** Announcement that the next phase of the internal opening is May 10. Curfew will be imposed from the hours of 7:00 p.m. to 6:00 a.m. daily. All Cabinet approved businesses will be able to operate between the hours of 6:00 a.m. to 7:00 p.m. under the new imposition of the Curfew Order which would also commence on Sunday, May 10 for 14 days. |

| **Cayman Islands**      | • April 28, 2020: easing of restrictions in phases with two weeks between each phase during which testing will continue rigorously to ensure the present phase is not curtailed and the next phase can start.  
  - Phase one: slated to commence on May 4, 2020 if test results this week are encouraging enough to allow for that to happen. Phase one is expected to allow for kerbside delivery of more goods.  
  - Phase two: scheduled for May 18, 2020 and will include reopening of sectors such as construction. Details for all are still being worked on.  
  - A total of 742 persons have either departed from the Cayman Islands, or are departing this week on scheduled flights to the UK, Miami, Canada and Cancun, Mexico. Additionally, 198 Caymanians and Permanent Residents have returned to the Cayman Islands on the flights so far.  
  • May 1, 2020: Cayman will be moving from level 5 to level 4 ‘high suppression’ from Monday which means some businesses and services can begin to operate again from Monday. More information [here](https://www.facebook.com/ThCaymanPosts).  
  • May 1, 2020: New COVID-19 regulations with a number of new additional essential services and personnel and changes to soft curfew come into effect from Monday, 4 May 2020. Until then, existing hard and soft curfew measures are extended to continue until 5:00 am Monday when the new measures commence. Number of essential services and personnel are to be expanded from Monday, 4 May 2020. These will, however, in the majority, have minimal contact with service seekers by providing collection and/or delivery service of items and goods only. All protocols and restrictions remain in place and have to be strictly followed to avoid penalties, if charged and convicted. Money remittance facilities are now added to the essential service providers list. Hours of operation of existing essential service are also being extended from Monday which is the start of Level 4 of COVID-19 response, which is a scaling down from the Level 5 that the Cayman Islands has been in since 24 March 2020.  
  • Little Cayman: will be out of hard curfews early next week and Cayman Brac later next week, subject to favourable test results  
  • Grand Cayman (GIS): new regulations were announced to come into effect from Monday 4 May for two weeks, in view of the test results continuing to be encouraging. As a result of the new regulations, the additional essential services now include public sector postal services, private sector pool maintenance, grounds maintenance, landscaping and gardening services; mobile car wash and mobile tyre repair services, laundry and laundromat services, pet grooming service providers, pain management and chronic pain treatment services. Money remittance facilities have met the requirements of the Competent Authority to satisfy relevant COVID-19 protocols and will be opening. Hours have been extended by an hour - from 6 am and 7 pm - for restaurant food delivery, food delivery by other businesses and grocery delivery services now extended up to 10 pm; supermarkets, convenience stores and minimarts, pharmacies, gas or refilling stations can open for one hour longer up to 7 pm. Hours for retail banks, building societies and credit unions have been extended by three hours, now being allowed to open from 9 am to 4 pm  
  • However, exercising outside of home and home grounds is prohibited during hard curfew lockdowns for all Sunday on 3 May and 10 May  
  • All beaches continue to be strictly off limits for the next two weeks when the new regulations are set to expire.  
  • May 4, 2020: The Cayman Islands move from Level 5 Maximum Suppression (currently) to Level 4 High Suppression on Monday 4th  
  • May 5, 2020: no more Sunday hard lockdown in Little Cayman  
  • May 7, 2020: Hard curfew Sunday lifted from Cayman Brac immediately and changes to soft curfew gazetted tonight. Fishing and boating, with a maximum of two persons in one boat, are allowed outside of the 8pm-5am curfew period on Cayman Brac. Restrictions by last name are rescinded. Cayman Brac is lowered to COVID-19 suppression level 3, Little Cayman close to level 2, while Grand Cayman remains on level 4. Dining in at restaurants is limited to outdoor areas only, meaning no indoor dining is allowed. At allowed social gatherings, 25 people may gather.  
  • Leisure, recreational, faith, service club, community and civic organisations may now hold meetings but must maintain social distancing measures.  
  • Hairdressers are required indoors in public places and maintaining distancing of 6 feet is required.  
  • Restrictions on visits to residential homecare facilities continue on Cayman Brac.  
  • The next phase will likely allow car garages and part stores to reopen.  
  • May 19, 2020:  
    - Cayman Brac & Grand Cayman  
      - operating under suppression level 3.  
    - The Prevention, Control and Suppression of Covid-19 (Grand Cayman) Regulations, 2020 came into effect for Grand Cayman, easing certain restrictions on movement during the soft curfew period. There is also a daily hard curfew from 8pm-5am.  
    - Little Cayman: operating under suppression level 2.  
| **Dominica**            | • April 27, 2020: Businesses are now allowed to open from 8am to 4pm instead of 8am to 2pm, buses will be allowed to carry two passengers per row and the sale of alcohol can resume today.  
  • Appliance and electronic shops and clothing and textile shops can reopen for business, however they must ensure that staff and customers wear face masks, physical distancing protocols are enforced as well as hand sanitization upon entry to and exit from the business place.  
  • Access to beaches and rivers will be granted for stress management from 8 am to 5 pm Mondays to Saturdays, however, there shall be no picnics, barbecues, loud music, parties or consumption of alcohol at beaches or rivers. Groups of not more than 10 persons will be allowed and physical distancing must be maintained. There will be police presence at the beaches to ensure compliance to the new measures.  
  • Approved business places can also operate for business on Saturdays between 8 am to 1 pm, in keeping with the health and safety protocols of the Ministry of Health.

**May 11, 2020:** "progressive" exit from lockdown
- "differentiated" exit from lockdown with restrictions to be lifted gradually and varying between regions.
  - A colour-coded map divides the country between red zones, for high-infection areas, and green zones, where infections have been markedly lower.
- The map serves as a reference for lockdown easing measures.
- In all areas: primary schools and most businesses — though not cafes and restaurants — are allowed to reopen as of May 11. Secondary schools, cafes and restaurants may open from early June if the infection rate remains low.
- In red areas: middle schools will remain closed, and so will parks and public gardens.
- Traveling more than 100 kilometres from your residence is forbidden.
- The elderly and other vulnerable populations, including people with underlying medical conditions, will not be confined to their homes after May 11.

**June 2, 2020:** further ease of the lockdown measures
- The 100km travel limit in France will be lifted from June 2, though border restrictions will remain in place until at least June 15.
- Acceleration of the reopening of schools, colleges and lycées.
- Cafés and restaurants can reopen in all areas of France. All venues must maintain a 1m gap between tables. Staff will wear masks and groups will be limited to 10 people. Customers will be required to wear masks while moving around, but can remove them at their tables.
- Groups are still limited to a maximum of 10 people in public spaces.
- From working from home is still recommended.
- Parks and gardens can reopen. Beaches and lakes will reopen on June 2. Local authorities retain the right to impose mask-wearing as a precautionary measure.
- Gyms and swimming pools can open in green zones as of June 2 and in orange zones as of June 22.
- All museums and monuments can reopen on June 2, as can beaches, lakes and water bodies. Wearing a mask will be mandatory.
- Theatres, concert halls and sports halls will be able to reopen in ‘green zones’ on June 2 and on June 22 in ‘orange zones’. Cinemas can open from June 22. Again, wearing a mask will be mandatory in all these spaces.
- Contact sports and large indoor gatherings will remain prohibited during phase two. Nightclubs will remain closed.

| Saint-Lucia      | - **April 25, 2020**: Preparation for the reopening of the Construction Sector on April 27, 2020, Quarry Operators, Producers of concrete, Contractors and Construction Firms encouraged to apply for permission to operate  
- **April 26, 2020**: Specially Clinics will resume effective Monday, April 27, 2020. These clinics include: Dermatology, Paediatrics, Obstetrics / Gynecology, Podiatry, Diabetic Retinopathy, Sexual & Reproductive Health; Castrries  
- **May 18, 2020**: release of the Government of Saint Lucia’s Framework for Re-Opening the country amidst the COVID-19 pandemic. This framework serves as a guide for businesses and sectors of the economy to reopen safely whilst following all the necessary protocols to protect lives as we continue our battle against COVID-19. More information here  
- **May 18, 2020**: businesses are permitted to recommence full operations from May 18. Although approval for opening is not required at this time, businesses are required to review the relevant protocols to ensure they comply with physical distancing, infection prevention and occupational health and safety measures. More information here  
- **May 19, 2020**: announcement of a phased approach to reopening the island’s tourism sector, from June 4, 2020. The strategy protects nationals and visitors from COVID-19 through advance testing; daily screening and monitoring of staff and visitors; sanitization at various points throughout the travelers’ journey; and new social distancing protocols. More information here  
- **Phase One** of the reopening: welcoming international flights at Hewanorra International Airport (UVF) from the United States only. Travelers are advised to check with airlines regarding flight schedules and rules prior to booking.  
- In anticipation of these first visitors, some 1,500 hotel rooms in Saint Lucia are being prepared to open in early June, pending completion of a new COVID-19 certification process.  
- In Phase One, the traditional experiences that St Lucia is known for will be available in a limited capacity. Registered hotels and travel providers will work with visitors directly to arrange safe experiences.  
  - New procedures span from the hotel booking process to the airport arrival and hotel experience in Saint Lucia. Protocols include:  
    - Visitors are required to present certified proof of a negative COVID-19 test within 48 hours of boarding their flight.  
    - Upon arrival in Saint Lucia, all travelers must continue the use of face masks and physical distancing.  
    - Travelers will be subject to screening and temperature checks by port health authorities. Protocols are being established for taxis, to provide safety precautions and separate the drive from guests as an added security measure.  
    - Health and safety protocols will be reinforced through the use of signage that includes QR codes which take travelers to a landing page for more information. To further ensure that Saint Lucia remains a safe and responsible destination, the government is developing a COVID-19 Certificate for hotels. Hotels must meet a dozen or more specific criteria for sanitization, social distancing and other COVID-19 protocols before they will be permitted to open to guests. These measures will enhance protection of visitors, staff and Saint Lucian nationals.  
- **Phase Two** of the island’s new responsible approach to tourism will commence on August 1, 2020, with details to be revealed in the weeks ahead.  
- More information: beaches will reopen on May 8 with restrictions. More information here
