### Anguilla

**April 30, 2020:** De-escalation of some measures which were in place to control the movement of people and public gatherings.
- Churches, places of worship, all retail stores, hair salons and barber shops, accommodation suppliers, gyms and spas, recreational facilities, official lotteries, restaurants and bars can re-open.
- From April 30, 2020 until May 31, 2020, the assembly or meeting of more than 25 persons in a public place; and 25 persons in a private place is prohibited during the specified period.
- Where there is an assembly or meeting of persons, persons shall at all times, remain a minimum of 3 ft. away from any other person.
- Every establishment shall, during the specified period, determine the number of persons that may be permitted in any establishment at any one time by permitting one person for every 30 square feet of floor space; and ensure that distance markers are placed at a minimum of 3 feet apart on the floor space of such establishments, indicating where customers must stand while waiting inside the establishment. More information [here](#).

**May 6, 2020:** The following arrangements have been decided for Term Three which begins on Monday 11th May and ends on 24th July 2020.
- Preschools: In light of the differences in the facilities and resources available at each school, the owner of each school will decide whether their school can be safely reopened. Principals will communicate with parents regarding the position at their schools.
- Primary Schools: Grades K to 4 will continue with E-Learning until further notice. Grades 5 and 6 will return to the classroom half day from 8:25am to 12 noon. There will be no afternoon Parent’s meetings. Parents are asked to ensure that their children are picked up at 12 noon. Students in Special Education Needs (SEN) Units will continue remote learning with their teachers until further notice. To promote social distancing at school, desks will be arranged to ensure there is a minimum of 3 feet between each student. This may mean in some schools that more than one room will be used for each class. Teaching assistants and other teachers will be assigned to assist the main teachers to manage classes. Break time will be staggered to reduce the number of students gathering at any given time. Custodians will actively supervise student interaction at break time.
- Secondary School: Forms 1 to 4 will continue with E-Learning until further notice. Forms 5 and 6 will return to the classroom and their regular schedule. Fifth formers at the Pupil Referral Unit (PRU) are expected to report to PRU at their usual time. Sixth formers are advised only to report for class times. Students in Special Education Needs (SEN) Units and Workshop Initiative for Secondary Education (WISE) will continue remote learning with their teachers until further notice. Three entrances to the Campus B Building will be used. Larger classes will be divided among rooms with tasks assigned by the main teacher. Substitute teachers and members of Senior and Middle Management will assist with the supervision of students in the overflow rooms.
- E-Learning: At primary schools, each school will use one E-learning platform – either Schoology or Google Classroom. At the Albena Lake Hodge Comprehensive School, Edmodo and Google Meet will be used.
- Health and Sanitation: Each school will be thoroughly sanitized prior to the return of students. Hand sanitizer will be available for use in each classroom. Bathrooms will be cleaned and monitored throughout the day to ensure that they remain in a hygienic state. Supplies are replenished and that washing their hands properly. Custodians will be specifically designated to perform this task. Desks and frequently touched surfaces will be sanitized at intervals during the day. The interior of school buses will also be cleaned and sanitized daily.

**June 1, 2020:** Persons and activities exempted from the closure of ports amendment:
- (a) aircrafts, ships, vessels or boats licensed for the transportation of Cargo;
- (b) aircrafts, ships, vessels or boats used for emergency services or for the transportation of emergency personnel or equipment; and
- (c) government approved aircrafts, ships, vessels or boats used for the:

  - July 1, 2020: International borders for Europe, Canada and the Caribbean will reopen for travel with the exception of The Dominican Republic and Haiti.

**Bahamas**

- **May 18, 2020**: phased reopening of the Bahamas continues.
- Cat Island, Long Island, Abaco and Andros can resume commercial activity from May 18.
- Construction companies on New Providence and Grand Bahama may now operate on Saturdays from 7 am to 1 pm.
- To facilitate hurricane preparedness, home and hardware stores will now be allowed to operate in-store hours on Mondays, 8 am to 8 pm.
- Also, exercise measures have been further relaxed during the weekend lockdowns. Exercise may now take place on Saturday and Sunday from 5 am to 8 am in one’s immediate neighbourhood.
- The Bahamas are looking at a possible opening date for commercial travel on or before July 1 this year. Dates may change depending on circumstances.
- On Sunday the Prime Minister also announced the introduction of a COVID-19 travel card which would allow for the resumption of inter-island travel. The process is scheduled to begin on Wednesday. Applicants are required to submit an evaluation by a physician authorised by the Ministry of Health. This evaluation includes a risk assessment questionnaire to determine the individual’s level of risk for COVID-19, and a physical exam to determine the presence of any symptoms consistent with the virus. If deemed low-risk, and the physical exam does not reveal any symptoms it is expected that the person will be issued a COVID-19 Authorisation Travel Card that will allow travel to the Family Islands. If the individual is deemed higher risk or has symptoms that may be consistent with COVID-19, the individual will be referred for testing to definitively determine their COVID-19 status. The first phase of this initiative targets residents of Family Islands who have been stuck in the capital. They will now be allowed to return home.
- Residents on islands with no confirmed cases of COVID-19 will be allowed to travel between those islands via plane or boat, without a COVID card.
- **May 27, 2020**: The Bahamas has moved into phase 3 of the gradual economic and social re-opening plan.
- All Family Islands, with the exception of New Providence, Grand Bahama and Bimini, may resume normal commercial activity, effective Tuesday 2 June.
- **June 2, 2020**: The 24-hour weekday curfew will be lifted for all islands, and reduced to 9 pm to 5 am Monday to Friday, starting June 2, 2020 following the Whit Monday holiday. Exercise will be permitted Monday to Friday 5 am – 9 pm beyond one’s immediate neighbourhood.
- Weekend lockdowns will remain in effect from Fridays 9 pm to Mondays 5 am. The hours of Exercise in one’s immediate neighborhood during lockdown have been extended from 5 am – 8 am, 5am to 9 pm.
- New Providence, Grand Bahama and Bimini may now hold worship services in the sanctuary starting Saturday 6 June following strict protocols.
- All non-essential storefront businesses may operate in-store hours Monday 9 am to 5 pm, effective 2 June, on New Providence, Grand Bahama and Bimini. This includes, furniture stores, clothing, cosmetic, jewelry and other miscellaneous retail.
- Restaurants except for curbside and deliveries, bars, gyms, hair salons and barbershops, movie theaters, cultural facilities and entertainment facilities remain closed on New Providence, Grand Bahama and Bimini.
- Public parks and beaches are allowed open on all islands except for Bimini, Eleuthera, Exuma, Grand Bahama, Harbour Island, New Providence and Paradise Island and San Salvador, effective 2 June.
- Gaming House operators may operate with physical distancing and sanitization protocols, 9 am-5 pm Monday to Friday, effective 2 June.
- During the Whit Monday and Labour Day holidays, weekend lockdown measures will be in effect; however, food stores will be permitted to open 6 am-7 pm, and food takeaways and drive-thrus and restaurants providing takeaway and delivery and curbside services may operate 6 am to 7:30 pm.
- **June 1, 2020**: domestic borders will be opened for regular domestic commercial flights and for domestic pleasure craft and yachts. Commercial airlines are expected to start taking reservations on Tuesday 2 June, for inter-island flights beginning Monday 8 June. More information here.
- **July 19**: The Bahamas closes borders to tourists coming from the United States after a rise in its COVID-19 cases. All airports and seaports are closed US tourists effective Wednesday 22nd July 2020. This is because of the 49 new infections recorded since the country reopened their borders on July 1. Of the 49 cases, 31 have been registered in Grand Bahama which had been COVID-19 free for over two months and is still recovering from 2019’s hurricane. The Prime Minister announced a new curfew from 7pm to 5am daily on the island of Grand Bahama, effective Monday. More information here.
- **July 29, 2020**: Lockdown to begin 31 July from 7pm to 5am for all islands excluding Grand Bahama, where a complete lockdown is in place.
  - Food stores, gas stations, pharmacies and water depots will be permitted to operate Saturday 1 August for the general public from 7am to 6pm.
  - On August 4, 2020, at 5am commercial and social activity may resume.
  - On August 7, 2020, from 7pm to August 10 at 5am lockdown will be implemented for all islands of the Bahamas.
  - Religious services may be held virtually. No more than 10 persons to participate from the facility.
  - Within the lockdown, exercise is permitted within the confines of an individual’s yard only.
- **August 6, 2020**: The US has issued a level four travel advisory for the Bahamas due to health and safety measures and COVID-19 related conditions.
  - **August 21, 2020**: All persons must submit to monitoring and install the Hubbcat App on their cellular phones for purposes of contact tracing. After the 14 days, all persons intending to remain in the country will be required to complete another COVID-19 test, at their own expense, to exit quarantine.

**Barbados**

- **April 15, 2020**: restrictions eased. 2 days weekly Barbadians will be allowed to conduct business based on the surnames, there will be shopping schedules for supermarkets, fish markets, hardware stores and banks. Customers will have to carry ID cards, wear masks, have a shopping list and practice social distancing. More information here.
- **April 29, 2020**: implementation of Phase Two of the reopening schedule. Ease in the lockdown measures which started on March 28 and is expected to end on May 3.
  - Those who have symptoms such as fever or cough should stay at home, as well as those who are elderly, pregnant, have an underlying clinical condition or they are living with someone is fits these criteria.
  - Wherever possible workers should travel to their workplace alone using their transport with employers expected to make parking arrangements for additional cars and bicycles and provide hand cleaning facilities at entrances and exits.
### Reopening measures

- Public transport will be limited to 60 per cent capacity to provide sufficient space and only one person at a time can sit on a row of chairs.
- All persons entering workplaces are to have their temperature checked and employers should introduce staggered start and finish times to reduce congestion.
- Employees are to maintain social distance, wash their hands regularly and clean common contact surfaces. 
- Workers are asked to stay at the worksite and not use local shops. They are encouraged to walk with prepackaged meals and refillable drinking bottles.
- Employers should stagger break times to reduce congestion in canteens or lunch rooms and workers should maintain social distance.
- Non-essential physical work that requires close contact between workers should not be carried out.
- Employers are asked to regularly clean the inside of work vehicles and between use by different operators and only necessary meeting participants should attend in-door meetings.
- Critical government departments which have been functioning over the curfew period will continue to do so with their regular staff numbers.
- The wider public service will reopen with minimal staff on May 4 and will provide basic services initially.

#### Bermuda

- 50% capacity of all workplaces. 40% capacity for public transportation.
